

IN-HOME FINANCING MADE EASY

Now through
 GreenSky™

Trusted by thousands of contractors and some of the largest retailers in America, GreenSky provides consumer financing options to help home improvement contractors close more sales and grow their business. GreenSky offers a variety of point-of-sale credit products specifically designed to give you a competitive advantage, while giving your customers greater spending power to realize their home improvement dreams.

The GreenSky Advantage

GreenSky™

Unlike other lenders, GreenSky's process is simple, fast and paperless. Through GreenSky's easy "Apply and Buy" approach, you will see an increase in business cash flow and a decrease in the time you spend trying to get paid.

Why Contractors Love GreenSky

- Fast, simple, paperless application process
- No contracts or completion certificates required for funding
- Staged funding
- Promotional credit options to increase your sales
- Payment plans to help you close more deals

Why Consumers Love GreenSky

- Credit limits up to \$55,000
- Hassle-free application process
- No interest and no payments or equal payment plans
- Low monthly payments to fit any budget
- Friendly customer service
