Beauty meets strength. Elegance meets distinction. Masterpiece meets innovative engineering. Westbury® Aluminum Railing is designed with these essential elements in mind.

With a variety of designs, colors, and textures, you have the power to decide what fits your home. Whether you are adding railing to the front of your home or to the deck in the back, Westbury® Aluminum Railing can turn your home into a welcoming retreat.
**TUSCANY (C10)**

Westbury® Tuscany Railing creates a welcoming look for your home featuring a classic 2-rail design. This design is accented with a stylish top rail and either square (Style C10) or round (Style C101) balusters.

- Available in 4', 5', 6', 7', & 8' Sections
- Available in 36" & 42" heights
- Stair Sections available in 4', 5', 6', 7', & 8' lengths
- Adjustable Gates available in 36", 48", & 60" width openings

**VERTICABLE® (C80)**

It's your view – don’t hide it. With contemporary vertical cables and balusters, VertiCable® provides architectural style with a virtually unobstructed view. VertiCable® sections are factory assembled, tensioned, and shipped on pallets ready for quick installation.

- Available in 4', 5', 6', 7', & 8' Sections
- Available in 36" & 42" Heights (7' & 8' in 36" height only)
- Stair Sections available in 4', 5', & 6' lengths
- Adjustable Gates available in 36", 48", & 60" width openings

**SCREENRAIL**

Expand your living area and enjoy the outdoors with Westbury® ScreenRail. ScreenRail is a premium system designed to keep you outdoors without being “bugged” by insects.

- Structural railing system
- Available heavy duty kick panel helps prevent screen damage from feet and pets
- Easy to assemble 4', 6', & 8' sections
- Assembled universal door (right or left hand hinge) with heavy duty frame (Inswing & Outswing offered)
- Durable flat spline secures screen
- Designed to allow you to choose the screen type that best meets your needs

These Westbury® products are available in the 12 Standard Certified PCI 4000 and Verified AAMA 2604 Compliant Colors shown on page 1.

VINYL RAIL RANCH FENCE

2, 3 & 4 Rail

Hardworking and affordable, a Lansing Rail Ranch fence system is a great choice for a busy ranch or casual neighborhood. The clean lines of the fence blend beautifully with a wide range of architectural styles. Whether you are establishing a property boundary or adding charm to a country home, a Rail Ranch style fence provides a traditional appearance while offering non-traditional maintenance.

RAIL RANCH FENCE II

- 2-Rail Height: 36"
- 3-Rail Height: 48", 52"
- 4-Rail Height: 52"
- Width: 96” Centers
- Post Size: 5” x 5” Vinyl Posts
- Flat Caps Standard (Trim, Gothic, Ball & Internal Caps Optional)
Structural integrity is built into the Lansing gate systems. Offering long-term solutions to traditional gate problems with aluminum reinforced frames, use of heavy-duty aluminum gate post stiffeners (recommended), and factory assembled.
