BUILDING PRODUCTS

**LANSING**  
GUTTER SYSTEMS

Lansing offers the most comprehensive gutter system in the industry, including 25 colors of gutter with matching accessories in all colors, exact matches to Mastic trimsheet, guttercoil by the foot, next day delivery, and more. Plus, it's all backed by a 20 year written warranty.

**PERFORMANCE  
METALS®**

**Mastic Performance Metals** includes gutters, gutter coil and all the accessories to handle the rain removal needs of a home. With the Mastic line of Performance Metals® products, you're guaranteed beautiful metals that will outperform and outlast the competition. Performance Metals® products are easy to work with and perfect for every home — making them easy to use and sell.

### Unique Coating System

- AlumaLure 2000 - two coat, acrylic system with chromate primer that resists corrosion and fade better to make sure that your "call-backs" are only references for your next job
- Specially formulated coating system reduces staining so white is white, not just today but everyday
- Unique back-coat that protects your job from corrosion even in the least visible of locations

### **Superior Performance**

- Proprietary metal specification that lays flat, forms straight and crisp to give you confidence in every job
- Twenty year warranty for peace of mind

### **Seamless Integration**

- Color matched from gutter to downspout and everything in between to ensure that your job looks great on day one and for years and years to come

### **No Wasting Material**

- Gutter coil spun down to the exact footage you need

## Leaf Relief® Gutter Protection System

- Simple installation - Mounts directly to the gutter. No lifting shingles.
- Leaf Relief: available in 10' length for 5" and 6" gutter
- Leaf Relief/continuous hanger: available in 7'6" length for 5" and 6" gutter
- 25 year warranty

**LEAF SENTRY**  
GUTTER PROTECTION SYSTEMS

## Leaf Sentry Gutter Protection System

- Franchise type quality
- Makes use of surface tension to channel rainwater into the gutter, while leaves, sticks and other debris are prevented from entering
- Complete system including end caps, miters and high flow panels
- Available in 4' lengths in 16 colors plus copper for 5" and 6" gutter

**Leaf Sentry allows gutters to do what they're designed to do: Drain water.**

**BULLDOG**  
GUTTER GUARD

## Bulldog Gutter Guard

- Does not interfere with roof shingles
- Available in white and dark bronze
- Locking System actually Strengthens Gutter System
- Available 6' lengths in white and bronze for 5", 6" and 7" gutter

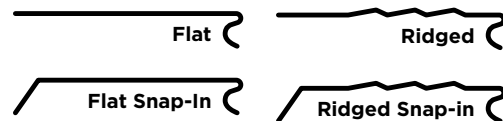

**K-SCREEN**  
GUTTER GUARD

## K-Screen Gutter Guard

K-Screen is a powder-coated, expanded metal gutter screen that inserts under the shingles or snaps into the gutter for a seamless look.

- Fits all gutter styles
- 4-foot lengths
- Available for 5", 6" or 7" gutters

### Four profiles available:

Zip On, Flip Up™

## Zip Hinge

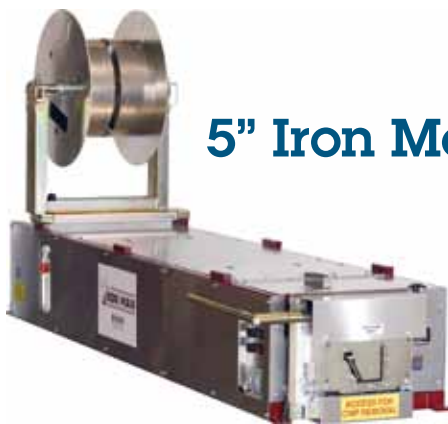

The Zip Hinge™ is a tough, reliable gutter downspout hinge made of durable aluminum. Zip Hinge provides a convenient way to lift and move around a gutter downspout.

- Easy installation.
- Sturdy construction and design means no call-backs.
- Raises for mowing and landscaping
- Lifetime warranty means peace of mind for homeowners and contractors alike!
