BUILDING PRODUCTS

Moving forward *together.*

We're excited to announce that our acquisition of Harvey Building Products' distribution business is now official. As a valued Harvey customer, we want to welcome you to the Lansing Building Products family. Our combined company stands 1,600 associates strong to serve you from 113 branches across 35 states. We look forward to demonstrating how this powerful partnership will create a new standard for our industry.

During this integration period, our goal is to make the process as seamless as possible. Please refer to this special [customer landing page](#) for answers to frequently asked questions and quick links to the tools and resources you are familiar with from Harvey. Of course, our team of associates at your local branch is always ready to serve you.

While this next chapter in Lansing's history is very exciting, we are mindful that our industry and communities are negotiating uncharted territory due to the coronavirus. The Lansing team remains dedicated to serving and supporting your business and hopes that you and your family are safe and healthy.

We look forward to meeting you and sharing with you the many ways Lansing delivers excellence from the inside out.

Warmest regards,

HUNTER LANSING
